

We're going to big school.

When we go to big school  
we wear our uniform.

We wear a school hat.

We put our bag in our locker.

We go outside and play  
with our friends.

Then the bell rings.

We line up.

We go into our  
classroom with our  
teacher.

We do lots of things  
at school.

We sit on the carpet.

*We wash our hands.*

*We sit at our desk.*

*We play.*

*We eat. We do not  
share food.*

We write

We read.

*We share.*

*We paint.*

We cut.

We glue.

*We have fun at school.*
