

MILLTHORPE MARKETS

NEW COMMITTEE MEMBERS NEEDED

The end is drawing nigh for the current team of Millthorpe Market Committee members, and as such a new Committee needs to be formed in order for the Markets to continue.

ALL Current Market Committee Members: Shona Kay, Steve Harris, Jo Copelin, Kate Munro and Georgie Hinrichsen will be finishing up with the Markets at the end of the year (December).

The Committee is a sub-committee of the P&C, conducting 2 Markets per year and raising over \$60,000 in additional funds for the school. The markets which are into their 9th year are now a major regional event, bringing market-goers to Millthorpe from across the State.

Positions have been divided into several roles, allowing more people to be involved and placing less pressure on the Committee Members.

Positions available include:

- General Manager – oversees the general operations of the Markets and other aspects including liaison with Council
- Stallholder Manager – in charge of the Application process and liaising with stallholders.
- Finance Manager – balances, floats, counting, forecasts etc
- Marketing Manager – advertising, marketing, sponsorship and promotions
- Utilities Manager – coordinating all utilities such BBQ's, Toilets, canteen (conditions), electricity
- Food & Beverage Manager – coordinating the operations of ALL food and drink stalls run by the school, including ordering of all food and drinks items to be used on the day.

Positions Filled:

- Volunteer Coordinator – coordinating ALL Volunteers for the day, including food and school stalls. (BELINDA HARRIS)
- Traffic Management – in charge of the applications to RTA, traffic management liaison with external providers and car parking. (LUKE BINGHAM)
- Facebook Coordinator – coordinate the Facebook page, with regular correspondence and posts. (JACQUELINE WILLIAMS)

If you are interested in a position, please advise one of the current Committee Members (Shona, Steve, Jo, Kate or Georgie) and you can shadow the position for the December Markets, ready to take over the role next year.

This is the MAJOR fundraiser for the school and eliminates the need for other weekly fundraising efforts. As the school grows, these funds are necessary to kit out new classrooms with all the latest equipment, new playground equipment (soon to be installed) and to provide assistance to families.

The School is extremely lucky to have these markets which are the envy of all other schools and community groups in the region. As the roles have been divided, the tasks are not onerous and will provide you with a great sense of satisfaction and pride.
